“ *My father loved his family and his life work of selling vintage and classic autos and auto parts. He was inventive in all that he did, there wasn't anything he couldn't do or fix and it always seemed to work. He had a love/hate relationship with the St. Louis Cardinals, but rarely missed a game even through out his illness. He endured a long hard struggle with cancer but in the end knew it had him beat. He left this world knowing that he was in God's hands and took comfort knowing that it was his will.*

*We love him very much and will miss his sense of humor, charm, kindness and love. He will be forever in our hearts.*

“ Known to all of us at the Searcy Elks Lodge as Mr. Ed. He was a very good member and friend to us all. We will always remember the good times we had with him & Miss Betty doing Karaoke. He loved to sing & Miss Betty always carried her tunes in a bucket!! She knows what we mean about that. He always made us laugh & we knew he cared about all of us. We know you are no longer suffering Mr. Ed, but you will be greatly missed by all of us.
