“ This reminded me of Elizabeth and I thought I would share it with everyone: We little knew that morning that god was going to call you home In life we loved you dearly, in death we do the same. It broke our hearts to lose you, the day god called you home. You left us with peaceful memories, your love is still our guide, and though we cannot see you, your are always at our side. Our family chain is broken, and nothing seems the same, but as god calls us one by one the chain will link again.
