“ I grew up with Liz, we had a lot of great times together. I remember when I went to church with her and Emma, I was the only girl that had the shortest hair. Even when vi joined the family for a short time we were still friends. I will always love her and your family because they will always be part of my family.  
My love, hugs, and prayer's are with all of you.  
Love Vickie

“ With the loss of a loved one, I have found that the memories are more precious. As I close my eye's I see so vividly the scenarios of our moments together...laughing...praying...joy of special occasions...and always, just because. Like a digital movie replaying our special moments together. I send a prayer with love as you recall your memories with Liz on this day of sadness.  
Always my heart!!

“ *My heart is saddened to hear of the passing of my precious friend. Liz was such an inspiration to me, when we were teenagers; my cousin was the youth leader of Wynne Church and on Saturday Nights my dad and I would always go to hear Gary preach. Liz and Emma sat on the front seats both playing their accordions which I was fascinated with and me and Tina would sit there with them and watch in amazement. I am so so sorry to hear of her passing. AWESOME MEMORIES.*
