“ Mr. Parker was a truly wonderful man. I remember attending his horsemanship clinics when I was a little girl. I learned so much because he knew so much and was always glad to share and answer questions.

“ I am so sorry for your loss . He is in a good place now with no pain. His stories will live on forever but no one can tell them like BAKE. I pray your grief will soon turn to precious memories. God bless,

“ *Our Sweet Parker Family,
We found out at 9:30 today 6/11/09 about your husband, father, and granddaddy. Ramona Griffin just happened to mention him this morning to me at work. He was one of the most precious people we have ever known. All the ballgames that we have gone to and loved every minute of them. The stories he has told and the times we spent at those games will always be in our fondest memories. We have had a truck load of sweet tea together, haven't we? Mrs. P. you could make the best in the world. We do know where he is today. You'all will be in our prayers. Love to all of you. Mike & Theresa Hurley*

“ *We have many good memories of all the "tales" that Bake would have. He had a blessed life and we know he will be missed. Death takes our loved ones away from us but it can't take away our memories.*

“ We were saddened for you when we heard about the death of your father.

Wish we could all live the life that he did and have the nice, sincere and true things said about us when we go Home. What a Blessing that would be.

We are praying for God's comfort for all of you as you learn to live without this wonderful man.
