“ *Donna and Family, I loved the DVD! I had never seen most of the pictures. Seeing the moments Uncle Elvin spent with the grands and greats made me realize what a wonderful life he must have had. I think I saw some of those 'gadgets' you mentioned that he designed for them. Everyone looked so happy. My thoughts and prayers will be with each of you during the next several months. Just remember, if we have accepted Jesus as our personal Savior, we will see him in heaven one day. God Bless!*
