“ My brother, Elvin, is surrounded by people who love him, just as he was in his earthly life. The circle of love and family was holding a place for him. Our parents, brother Jim and sister Jean, and Jan his loving wife of 45 years and their beautiful daughter Kathy were waiting to wrap their heavenly arms around him. We here on earth will miss him until we see him again.

So sorry to read about Elvin's passing. I played music with him back in 2004 at the barn in Heber. What a nice and talented man. I met Jan too.
