“ I certainly do hope this message gets to Lindsey, Patti and Ryan... This is Donna Terrell from Fox16News. I met Emily a year ago and was so captivated by her smile, her personality and her spirit. She reminded so much of my daughter Queah. I just found out today that she passed away in December. I want you all to know that I grieve with you and I pray that God will shine his light on you. I can assure you from experience - Emily will be shining her light on you for years to come. It's hard to lose a child, a sister - but we get through it. They live in us forever. Emily will live in you forever. Donna....

“ May God bless you and comfort you! I was diagnosed with colorectal cancer in January 2016 and joined the Baltz team. I hate that I did not have the opportunity to meet your lovely daughter. I have heard so many kind words about her courage, strength and smile as she faced this horrible monster. While her life was taken way too soon, I know that she is on the Heavenly team now and still serving her Lord. I am sure that her testimony will continue to be a blessing to others. I prayed for her and will now pray for you as you face this journey with only the beautiful and treasured memories of her.

“ Williams family, sorry for your loss. Her life was short, but she touched so many lives, and she will never be forgotten. When you are sad just think about all the wonderful memories that the family shared. This holiday will be sad for you, just look up in the sky the angel will be looking down at you. Be Bless!

Emily left her imprint everywhere she went. She had a beautiful heart, mind and soul. She & Moriah had so much fun dancing and hanging out. She will be missed immensely !
