“ *Cathy & Carole,*  
*Thinking of you two and your families today in the loss of your sweet mama. Our parents shared such neat friendships in their Sunday School and supper club activities. I've never heard such a racket as the Sunday School parties fueled by coffee and desert. My thoughts of your mother always include her sweet southern voice. What a family legacy your parents have left. Much love, Melinda Jones Holder*

“ Dear Carole and Cathy,  
I just heard about your Mother passing away. I am so very sorry for your loss. Emogene was one of my Mom's most dear and treasured friends. I know they have shared a lot of fond and cherished memories. Your Mom was one of the kindest, most caring, loving, gentle and compassionate friends of my Mom. She was always the same. She was a beautiful Christian woman, inside and out. What an honor for you to be born to a mother with those fine character qualities. I will be lifting you and your famililes up in prayer in the days and months ahead. May our loving God fill you with his grace and peace. Love in Christ, Dana Van Patten McKinney
