“ It is a sad thing to learn of the passing of someone not seen for almost 60 years but also a happy thing to have known her and remembered her for so long. Mrs. Curtis was my teacher at Central High School in 1952-53. After the High School burned we were stuffed back into Plainview and in a class there I must have had something very important to say to a friend in the next seat because I vividly remember her turning from the blackboard and in a very frustrated voice saying "Will you PLEASE be quiet?". Luckily I called her about 3 years ago and recounted the episode to her and apologized. The visit was a very uplifting experience. I am thankful that Mrs. Curtis was a positive part of my journey in this life.

“ Dearest Carol, Kathy, Donna, and Randy, We were SO saddened to hear of your Precious Mother's passing. Heaven has gained a beautiful servant! She is SO fondly remembered by the hundreds she touched in her long, very blessed life. She was a TRUE Proverbs 31 woman! We will be sending a memorial in her honor soon. We would so love to be there this morning! But we're rejoicing with you too that she has gained her beautiful reward in Heaven forever! In His love, Don and Anne Berryhill

“ A wonderful Christian lady, wife, mother, grandmother, friend. She will be missed so much, but leaves many great memories and the love and thoughts that go with them. The children are indeed fortunate to have had such a mother. Blessings on the family in this loss.
I consider myself fortunate to have known her.

“ I have many memories of your Mom & your Dad from the years we attended church at Bethel Grove. I also remember that she was a wonderful cook and gave me her recipe for yeast rolls. May God be with all of you during this difficult time. You will always miss your Mom but it will get better as time goes on. The memories can keep you going strong.

“ Mrs. Curtis was one of the sweetest women I had the privilege of knowing. She was a great teacher. She treated everyone the same. She not only taught us to cook and sew she taught us to love cooking and sewing. I am praying for her family during this time.
