“ You lived your life by your own set of rules because you not only knew what you wanted but you had finally found a way to achieve it. You worked hard at becoming a new and improved version of yourself, one I know you were proud of, at last. You won't be forgotten and those that knew you and loved you will forever carry a piece of you in their hearts. This isn't goodbye, it's a true I WILL see you later, just on the other side. Watch over us.
