“ Janice(Momma),Rhonda and Robin,
I hope you didn't think I didn't care.

Oh the heartbreak we felt when I discovered Your and the world's loss. Ernest was a wonderful man. You all would come to the mall and just visit me and bring the girls and the babies too. Oh time flies. I am so sorry for your loss. It was always fun to see you and on those really bad days you had a calming affect for me. I do believe that you have lost your best friend. The last time I saw you both you were home for Christmas a few years ago and I saw you at Sam's. When you come to visit up here in the mountains that are still your home, please, please call us so we can come see you. Now I'm going to leave you with what you always said to me Janice when you would leave the store,"be careful and we love you honey!!"
