“ *To the family of Ernestine:*

I am so deeply sorry for the pain you all are going through. As well as having gone to school with her, we have recently (about the past 2-3 yeras) had phone conversations about our sons being in the military. We would talk about once a month with either her calling me or me calling her.

I always enjoyed our conversations and the talks we had. The last time I talked to her was around Thanksgiving and she was glad her son was out and back home, etc. I'm sorry we didn't talk around Christmas time, we usually contacted each other on the holidays, etc. to share our thoughts or events, but I guess time caught up with us.

You all will continue to be in my thoughts and prayers!
