Ester Lee Scritchfield, 92, of Bradford, our beloved mother and grandmother, left us on November 9, 2010 to be with our heavenly Father where we will see her again someday. We will miss her more than words can say. She was our inspiration and our rock.

She was a member of the Bradford Baptist Church where she enjoyed working in AWANA, bible school, women's auxillary and teaching Sunday school. She was also a member of Extension Homemakers Club. She was a homemaker, library assistant and Avon representative where she won President's Club. She loved gardening, reading, sewing, quilting and travel. More than all that, she cherished her family and her God.

*“ I'm so very sorry to hear of the loss of your mother. It is difficult, to say the least, to give up our mothers. Every day you will remember and think of her, and in time it will become easier. As long as you have memories of her she will never be far away. She was a dear friend to my mother and I'm sure they will have a grand old time catching up.*

“ Mama, i love you so much. What will i do without you? it is going to be so hard, but I will keep thinking about you not being in any more pain, being able to walk again, eat anything you want to, and most of all you can see again. Every time i am sad, which will be a lot I will think of you like this and I will rejoice and know how happy you are to be in heaven with Daddy and you will be waiting on us.
