“ There are no words to describe just how much Esther meant to our family. We love her very much and we have a lot of great memories of her. One of my favorites is when she came over to my house and taught me to make coconut cream pie step by step. We shared lots of laughs that day and I will cherish that memory forever. We love you all very much and will continue to pray for you all.

“ Always was such a pleasure to talk with her and Hubert at the English family reunion. I seem to always remember a smile on her face and a kind word to everyone.

“ We loved our sweet MaMaw English! She was such a blessing to our family when she kept Travis & Treena when they were babies - they were truly our kids' 3rd set of grandparents! Praying for all of you during this time of loss.
