“ *Ethel Ann Ruiz (Schee-nee Goldfeather) was one of the best partners I've ever had, and, I've had only but a few in my 38 years in law enforcement & corrections. Ann (as we called her) was bright, intelligent and a very wise individual. Ann was a dedicated mother of her children and a dedicated (including great-) grandmother. Little do most folks know, she could shoot any weapon (gun, shotgun or rifle) like the famous Annie Oakley of days gone by. Ann also had a remarkable talent to see and understand the people around her. Both men and women of all walks of life came to her for advice, guidance and comfort. Often at times life was hard for Ann, but, she hardly ever complained. She was a true rock in a world of sometimes crazy people and even harder times. Ann, if you hear my words this beautiful Arkansas day, thank you wonderful Southern Lady, and, now rest in peace,...you DID help change this world dear 'Mother Earth'. Sincerely, Deane 'DOC' Craig in Las Vegas, Nevada*
