“ My Momma was the best mom anyone could ever hope to have. I loved & admired her greatly knowing her own mother died when she was only 2 yrs old, & she was raised by her aunt/stepmother. She was only person I let babysit my own children when they were babies. Her children & grandchildren were her life. She will be loved & remembered & greatly missed, until we meet again mommy, all my love my dear mother, your daughter, Brenda
