“ I want to thank my Aunt Fay for her phone call letting me know about the picture granny had of me on her chair-side table. I don't care what was going on or what has happened, I loved my granny with all my heart. She was a huge part of my life and I will be forever great-full for all she has done for me and with me. “ Dear Brooks Family-
My thoughts and prayers are with you as you go through this sad
time with the loss of your mother, grandmother, and great
grandmother. Reading "Sis. Eva's" obituary, what a legacy of family!
I remember her in many ways throughout my life; first, as a longtime
friend of my mother, Gwyn, and through the years in church. May
God be with each of you in the days ahead, and may your
memories be sweet. Leah
