Tribute Wall

“ *Grandma, I heard about your passing and I'm sad. Not just sad for your passing, but for the life that you lived. I idolized you when I was growing up, but it wasn't until much later that I realized how sad you were. You were lonely and bitter and cold. You only wanted to be around people who admired you, but those were few and far between. I'm sorry you couldn't love or respect anyone who saw flaws in you. I'm sorry you couldn't love me. I truly hope you're in a better place now than you were here on earth. I hope finally you've found some sort of peace. Truly I do...*
