“ Whitney Lane Family Worship Center has lost a great Lady and helper to the womens group and also to the Prime Timers. I enjoyed her friendship and visiting with her at all the Prime Timer trips we made. She is reaping her rewards for her faithfulness now!! I am sorry for the families and friends loss of such a precious woman. But we will meet again some day!!

“ It is hard to believe that my Aunt Adelle's purpose of living is complete. I have many memories of her, Unlce Clarence, Diane and Tommy. Uncle Clarence and Aunt Adelle loved to go fishing when they first got married. My Dad is her eldest brother and he always treated her like she was one of his children instead of his sister. What I am saying is he would "boss" her. She was always so respectful and always responded to my Dad with a "Yes sir or No sir" no matter if Daddy was wrong to say anything to her. She did have a great laugh, Shirley. I will miss her laugh. One of my most treasured Christmas gifts when I was 16 years old (1969) was a 45 rpm record from Aunt Adelle; "Smile a Little Smile for me RoseMarie," Thank You, Aunt Adelle not for just the record but for listening to a 16 year old girl, I will always love you. All your questions about the "whys" of life are answered now and you can rest completely in the arms of Jesus. My prayers are with Diane and Tommy and their children, Aunt Ruth, Aunt Thelma, and Uncle Joe. My the God of Heaven comfort all of you during this sad time with the lost of this Mother, Mother-in-law, Grandmother, Sister, Aunt and Friend to many. Love and Prayers, Linda Anderson

“ I loved my Aunt Adelle very much. I have many fond memories, when I was little and spent time with her. She was always a caring person and always tried to help others when she could. I remember when my kids were little and I had to have surgery, she came over everyday and helped me until Billy Jack came home from work, I dont know what I would have done without her during that time in my life. My father loved her very much, even after she was an adult her treated her always as his little sister. I remember alot of holidays and sunday dinners at mom and dads house. I know she is at rest and with my father and her parents now, I will love and miss you..Im sure my father will still treat you like his little sister up in haven. I will miss you and the cards you always sent....I love you very much....I will see you again

“ All I have are sweet memories of Aunt Adelle and her laugh. When I was young I remember her and Uncle Clarence at Mama's peeling #2 wash tubs full of pears til their fingers bleed, then making the best pear preserves I've ever had. The last time I visited her, she cooked a big dinner and we had a great visit. Our next visit we will eat at the Lord's table. I love you Aunt Adelle, I will meet you there one day. Shirley
