“ A great woman in every way. Mother, grandmother, great grandmother, great great grandmother, mentor, friend, role model, community leader, church worker, student of life, pillar of strength, giver of hope, teacher, source of wise counsel and so much more. To say you are missed is an understatement. We already miss your smile, wit, humor, dominance in Dominos, grace, and the internal peace you exhibited as you demonstrated your faith in the Lord. We were blessed to have you in our lives, and now we are blessed and the better off now to have had you. Thank you for showing us how to live a peaceable life.

“ To Mrs. Green's family:

Mrs. Green taught my math class (SJHS 68-69) and I truly enjoyed having her for a teacher. She made math fun, she told jokes and seemed to thoroughly enjoy teaching.

6 years later she taught my sister. She kept calling her by my name (Gail didn't answer her). She came to her desk and demanded to know why she didn't answer. Gail said she didn't know she was being called on. Mrs Green said "Judy, I have been called on you several times. Gail replied that Judy was my name. Mrs. Green got down on her knees and asked Gail for forgiveness!! Now that is what I call a caring teacher.

The last time I saw her was at my mother's 75th birthday party (2011). She was all smiles and full of joy.

*I will always remember her with beautiful thoughts.
Respectfully,
Judy (Free) Roberts*

When I first came to teach at SHS, Mrs. Green and I had hall duty together. I always enjoyed visiting and talking with her. She served as my mentor and was always positive in her outlook. She was a very classy lady, and I am glad to have known her. My sincerest sympathies to all of her family.

Mrs. Green was a one of a kind teacher, I was in her class 1977-78. She always had such a funny sense of humor and loved to make math easy to understand. Prayers for the family.

“ I did not know the rest of her family but want to send condolences to Richard and Carol. I remember Mrs. Green from her years as a teacher when my children were in school, and she was a wonderful person. I know she will be greatly missed by all who knew and loved her.

Soror Evelyn Green, a proud member of Zeta Phi Beta Sorority, Incorporated, was an uplifting and encouraging person. Our Loving Sorority Sister has left us, but we are encouraged by remembering her legacy. She leaves a legacy of Inspiration, Caring, Happiness, Gentleness, and Laughter. It is our prayer that more of our members have her loving and sweet spirit.

Although she couldn't attend sorority meetings, Alpha Mu Zeta Chapter was always in her thoughts as she will always be in our hearts. She was a part of our family.

We find comfort in knowing that we will see her again.
