“ I am so sorry for your loss. I loved your mom and always enjoyed spending time with your family. I have fond memories of her cooking. She seemed to live for cooking her families favorite foods.

“ I will forever be thankful to Mrs. Gray for making me the nurse I am now. She taught me to not be afraid to love my patients and to fight for them with a goal of making their life the most it can be despite what life has thrown at them. She also challenged me in my Christian walk. Not only all of that, she taught me how to make cheesy potato soup! My life and career were forever changed by the love Mrs. Gray showed me. I will never forget.
