“ *More than an Aunt*

She was blessed from the beginning with parents more precious than gold

Then God gave her a man with a heart of the same that she could forever hold

*She walked with him through good and bad
Never had much but worked for what they had*

*The riches they gathered were more than you could buy
Two daughters who loved them and stood by their side*

They never had a Son when their child bearing years came to an end but they had a special Nephew and his name was Len

*Fanny loved him as he was her own
She loved him when he was little , she loved him when he was grown*

*The loved they shared was one some will never understand
She always smiled and held his hand*

*She lit up like a Christmas Tree when he walked in to the room
If he could have he'd gave his aunt the moon*

*Fanny is gone now to live with Jesus in heaven above
Len is left behind but so is Fanny's love*

*Thank you Fanny for the love you instilled in the Son you never had
You always made Len smile even when he was sad*

*Thank you Fanny for giving me the privilege of being in your life
Thank you for always saying I made Len a Good wife*

*I learned a lot from you in the time I was there
A little woman with a heart full of love to share*

YOU taught me so much about being a mother and a wife

Lessons I'll take with me for the rest of my life

*Now as I look back on the life you led
I see the truth in all that you said*

*You told me to just keep on keeping on and let God lead the way
Always so much comfort in the things you would say*

*You're more than just an aunt to Len and the rest
You were our special angel and you are the best*
