“ We just wanted to send this note to tell you all that we are thinking of you and Fawnee. It seems our families have been intertwined for many, many, many years. I didn't know Fawnee well but remember my Dad and Mother talking of them often and Dad and Murrell going hurting together long years ago...and because I grew up with Tony and my sisters and brother grew up with Charles and the other children...and then stories of Fawnee that I heard through Ray and my kids as they grew through their teen years together...well, I feel like I knew her and that she was a very special lady. I just wanted you all to know that you are in our thoughts.

“ Phyllis, Carolyn, Charles, Linda & Families: I am so sorry to learn of Fawnee's death. She was always like a second mother to me. I have many warm memories of all the time I spend at your house - when we were all much younger. Too many to recall.

*My sympathy and love to all of you/Claudia*
