“ I am John and Betty Harding's daughter and our family has so many wonderful memories of times with Frank and his family. He loved my Mom and Dad and they loved him. Frank was a kind, generous and caring man and will be missed so much. I remember his distinct laugh and smile and Frank always attended our church homecomings in June of each year at Fellowship Tabernacle in Roland. He always took time on his way home from the homecoming to stop and see my Grandma Esther Harding when her health started failing and she always looked forward to his visits. He loved gospel music and made new friends wherever he was. I remember as a child he and Daddy played baseball together every Sunday and how much fun we had at those games. The Brown family is in our hearts and prayers.

“ I'm so sorry for your loss. I only knew Frank for a short time, but he left a lasting impression on me. When he would come to the chiropractic clinic, he was always so very nice and sweet to me. He will be missed.

“ *All I have is wonderful memories of Grandpa Frank. Even though we weren't very close since my dad's passing, I still loved him very dearly. He was the only grandpa I had and was very blessed to have him. He will never be forgotten and now he is reunited with my daddy Phillip Brown. Now they can both watch over all of our family. Much love to him and the rest of the family.*
