“ *Pony was always a nice father-in-law to me. I will remember the good times we had at the lake or just chatting on the porch. It was a great honor to show him the Grand Canyon, Las Vegas, and San Francisco. And I know he enjoyed showing his hometown to me!*

“ *Uncle Pony was one of the favorite people in my life. I spent many hours enjoying his company. He was always upbeat. Always willing to lend a hand. I remember recently helping him fix a fence to help contain his wandering bull. Although I'm not a family member; I thought of him as a uncle. I shall miss him greatly for indeed he was a great man.*
