“ *My heart and prayers go out to the Marshall Family. I wish I could be at the service for my beloved cousin Freeman. Freeman was a loving man that I loved spending time with when I was younger, and will always cherish memories of the time I stayed with him and his family. I had a blast with him. I wish I could have spent more time with him when I got older. He is be surely missed, but he is in a much better place than than rest of us, and i will look forward to seeing him again someday, and we will laugh and have fun like we used to. I love you Freeman, and will miss you.*

“ Farrell, Don, Tina and Linda you are in our prayers. I know that you will trust God to comfort you and give you peace through this very difficult time and in the coming months, as you have walked this walk before. And as you look back at your previous journeys you'll see only one set of footprints. He carried you all the way and He will again.
