“ *My prayers are with the you and the family. I know that your hearts are broken. I cry right along with you. Gail was a very wonderful, blessed person I had the chance to know. I loved the way she would talk some sence into you. Her smile was like the sun shining. She will not beforgotten. I pray that if you need anything PLZ get in contact with me. God Bless you and keep you safe.*

“ Beverly, John Asa, and the entire family:

If I recall correctly, we have known each other since the age of four. We attended elementary, junior high, and graduated high school together. I remember staying at your house for sleepovers and how I would request to be sent to the nurse (Mrs. Grayson) just to get out of class. Please know and understand that your mother was a wonderful and loving woman. May God be your comforter and your strength. As time goes on, your grief will turn into happy memories of your mom. It is often hard for us to understand "why". Your mom is in a better place where she no longer suffers. I am praying for you. May God bless you and keep you during this difficult time.

“ *My heart is in disbelief for you, family. I am so sorry for your tragic loss. Ms. Grayson has been on my mind lately and when I heard the terrible news, I was devastated. She was my school nurse at BK and I was also behind her when she had her wreck back in 2000 and our dear Lord decided to keep her here on earth then and I'm sure it was for great reasons, unpronounced to us. I know that she touched many lives, including mine and I am so blessed to have had the chance to know her. You are all in my prayers!*

“ *To Gale's family.*

I wish to offer my prayers to all at this time. It is hard to believe things like this happen and we are never prepared for them. Gail was a very dear person and always treated my husband and girls with open arms and always a hug for the girls when they would visit her and John in their home. She will be missed.

A special prayer to Pam with hopes of a complete recovery.

“ Jean, Gerald, Kent, and to all Gale's children,

Our prayers are with you and our hearts are broken for you. For someone as wonderful as Gail to be gone so suddenly and so needlessly is more than anyone can comprehend. My son, Ed, thought the world of Gail...she was his ally at school during all of his turmoil there. He was in tears Tuesday night as we heard of her death. Your family is one I remember back as far as I remember anyone and how Gail, Jenty and Marilyn were best friends during their teens. Gail would want you all to face the future thinking of her but looking toward the sun and to the Lord. Gail is in God's arms now safe from harm and no more pain. She is smiling down upon you now hoping that you will look to the future and know she is watching from heaven. We are praying for you during this time of bewilderment and loss.

Glena, Linda, Eddie Don, Ed, Amy, Sierra, Eddie Glenn and Jackson Kennedy

Just remember she was loved by many.
