Tribute Wall

“ I know this must be an extremely difficult time for you. The death of a wife always leaves such a void in one's life. Her death means that your life will change in so many ways. I hope you'll remember, however, that you're not alone and that there are lots of people who love and care about you in Christ.

I just want you to know that I will be keeping you in my thoughts and prayers in the coming weeks.

Again, you have my deepest sympathies on the loss of your wife.

Sincerely,

Teresa Black
