“ My prayers and deepest condolences to the Duncan family in this time of loss. My dad (Pete) first introduced me to Gary (he introduced him as Burt Reynolds :-))when I was 16 or 17, when Gary came to our place on a hunting trip. I was fortunate to work with Gary for many years as a fellow member of IW Local 321. I have many great memories of our times together, and am so very sorry to hear of his passing. I am saddened that I will not be able to attend his visitation or funeral events due to my aunt's recent passing and corresponding visitation/funeral. I really enjoyed the video memorial of his (your)life, the photo's really rang in some memories! Once again, I am so sorry for the loss of Gary . . I will miss him very much!
