“ I was blessed with 40 years to have known Gary as my Uncle and friend. I grew up living about two blocks from Gary and Carol, so of course, I was at their house probably as much or more than my house. When they moved to Arkansas when I was 18, that did not stop the bond that we shared, I believe it made it stronger. I have so many memories of Gary, he was just a awesome guy! I never seen him mad. But one memory that sticks in my mind right now, just happened a few months ago. I had called Carol, and told her I wasn't feeling good, and Gary heard I wasn't feeling good. The next day I called to see how they were doing, and Carol said Gary had been up that night in the bathroom off and on. Gary told Carol, to tell me when he was in the bathroom, he was praying for me! That was the type of man Gary was. He cared for others and he loved everyone, and gave of himself whole heartedly. Gary will be greatly missed.

Love you always.

“ I've known and loved Gary as my brother in law for nearly 45 years . He has loved and cherished my sister from their very first date . Gary and Carol were special made for each from the beginning and Gary was loved dearly by our entire family. He was a son to our parents and a brother to each of us. Gary loved God with his whole heart and was the perfect example of a true Christian . He was a friend to every person he met and loved his family and friends and was in turn loved by all of them. Gary will be missed by so many but all that knew him will also have precious memories . Gary's won his race after a hard battle here on earth by God saying " We'll done my good and faithful servant , you've fought a good fight , you've won your reward , it's time to come Home. " I love you Gary and I promise to try to take care of Carol until she meets you in Heaven.

“ From the time we met Gary and Carol, we felt like family. I don't know his birthday and I don't know where he worked, but I do know two great things about Gary. He loved the Lord and he loved his family. He had things in the right order. We will miss you. Love to your family, our prayers are with them.
