“ Despite what the obituary says, he was my daddy. He is on my birth certificate as my father and has loved me as his daughter my whole life. Gary Lynn Flippo was the proud father of 4 daughters, not 3. He was also the very proud grandfather of my 5 children which weren't listed. He was present at every birth except the last, because we were prevented from seeing each other the last 4 years. All of my children share Lynn as part of their name after my daddy. Garanth Lynn Bradley Flippo-Morales, Teaghan Lynn Irene Morales, MattiLynn Louise Alexandera Abraham, Thelma Zoe RexiLynn Abraham, and Phylee Farion PatLynn Abraham. My daddy loved me and he was a much better father than any of us have ever been a daughter. As you sow, so shall you reap sisters.
