“ It was with great sadness that my Mom and I learned of Gene's passing yesterday. Our hearts & prayers go out to you and we will hold your family up to the Lord in prayer for strength and comfort in this time of sadness. He and my Dad were great friends and I got to know him when Dad and I had our convenience store there by the interstate. I don't get out much anymore but whenever I did see him in years past he would always smile and we would recall the years past.

God comfort you at this time of sorrow.
