“ Donna, Sandy, and Billy, Don and I send our heartfelt sympathy, love and prayers for the loss of your mom and my sweet cousin. Hard to pick one memory of Geneva, but one of my favorites is your uncle Charles and your mom singing Elvira at one of the family reunions, brother and sister entertainment, so much fun. Wish we could come and honor her with all the family, but Don has been sick, we are there in spirit though. Hugs and love for all, Don and Beverly

“ I will always cherish those trips to Greer’s Ferry Lake. As kids, we would stand by our campsite on the lake waiting for Uncle Bill and Aunt Geneva to arrive on Friday evenings. They would be pulling their boat behind them! They taught all of us kids how to ski! And I will never forget being on the school bus, coming home from my Senior class trip. As our school bus passed a dump truck, one of the boys in my class started laughing and shouted “there’s a woman driving that dump truck!” I said, I’ll have you know my aunt drives a dump truck!” I looked, and sure enough, there was Aunt Geneva driving the dump truck! I hung my head out the window and yelled, “Hi, Aunt Geneva!” She was surprised to see me, smiled really big, and started laughing and waving back! One of the girls in my class remarked, “I can tell she’s your aunt. You look just like her.” What a great compliment! She was always a beautiful woman.
