“Granny was definitely one of a kind. She touched the lives of everyone she met. She loved her family deeply. Granny always had a smile on her face and enjoyed talking to everyone. She loved the Lord and even through the hard times she trusted in the Lord to see her through. She taught me many things in life and will be missed so much. She loved to spread the word about Jesus and prayed for all her family and friends. I know she's watching over all of us and she will continue to direct us in the right path. I looked up to my Granny for as long as I can remember. My heart breaks so much but I know we'll be together again one day so I look forward to that. She was the most loving and caring person I know. She enjoyed all her family and getting together for the holidays will never be the same again. She meant the world to me and she'll always live in my heart. She'll never be forgotten. Stories of Granny will be shared for many generations. I miss her laughter, smile, and much more. RIP Granny...till we meet again.
