“ I am so sorry for your loss. I'm truly thankful to have known Kenneth. He is exactly the kind of person that all should strive to be like. I always enjoyed his company and listening to his hunting stories. Most of all, I am thankful for Kenneth's christian values that were evident in all aspects of his life. What a role model!!

“ Aunt Vonnie and family,
I'm sorry Uncle Kenneth has lost his battle; but I know he is having a big reunion in heaven. I know mom and dad were waiting for him and right now they are catching up. Telling one big story after another. Even though we will miss him terribly here he is now with our Lord and all those that have gone before. God's peace and comfort to you and the rest of family. Love you all.
