“ Jeff, as you know I worked several years with George. We have rode many miles together. Though I haven't seen him in years, he was that one person that you knew was always there, if I ever needed anything and I mean Anything! I know this sounds crazy, but we ate at Who Dats last week and I seen a man that I thought it was George. I kept walking up to this guys table, to get a better look. I bet he thought, ' What a weirdo!' Maybe God was telling me something, because I felt I should drive out to his house. I wish so much now, that I would have. He was that one person that can't be replaced in my life. God Bless you and if you need, call me 501-412-8643. With brotherly love, Eddy Siimons
