“ I am so sorry to hear of the passing of my great friend from so long ago. She had a great influence on my life, as she did so many others. I know there is an ache in your heart that only the Lord Himself can fill. There are not enough words to describe what a wonderful, Godly, generous, woman she was. She will be greatly missed. God bless you.

“ I am truly sorry for your loss. Miss Georgia always had a bright and welcoming smile. As children, we don't realize this, but looking back as a parent of a scout, I can really appreciate all the hard work and dedication she gave to us for all those years in Girl Scouts. Thank you for sharing her with us girls.

“ Doyle,Randy&Su-Ellen, I share in your loss at the passing of Georgia Mae. Georgia Mae was a mentor and friend to me and also to my family. She gave me my bridal shower 40 years ago, and was always a help to me in so many ways. Georgia was a true Christian lady with a servants heart-an example for us all. I have only fond and loving memories of her and we can take comfort in the fact that she has passed on to her glorious reward. Love, Becky Mcdonald

“ *May the Lord bless you all with understanding and grace to help you through this time! When Chad called me and informed me of Georgia's death, he stated that she was the only person he had ever known that everyone had only good things to say about her, and I totally concur! She was the strength and confidant of all who knew her, and I feel so blessed to have known her! I plan to see you on Saturday if at all possible. All of you are in my thoughts and prayers! “ *Dear family, I know, your heart is hurting like mine! She was more than a cousin to me. She was more like my older sister. Oh, how I loved her. My heart hurts so bad...I do know she is with Jesus. She saw my brother Tuesday in heaven...along with hers and rest of our family. Due to some medical issues..I will not get to come home for services!To God, I give the glory for her life, she now sings in heaven's choir! I love ya, Doyle, Randy,Su-Ellen, grandchildren.*
