“ Dear Virginia and Rita,

I?m sorry to hear of your Mom?s passing she was a great lady and I know you will miss her.

I will always remember your Mom?s fondness for buttermilk. During the berry season of 1962 your Dad was having back problems and I helped your Mom with the berries, hauling them to Bald Knob to the market. Your Mom had a standing order for a quart of buttermilk each time I hauled berries to the market.

Your Mom and Dad were very good to me and I will never forget them.
