“ Jerry,

You will be greatly missed. You were a co-worker but more importantly a good friend and mentor. You will leave a whole that will never be filled. Until we meet again, may you always have "fair winds and a following sea".

“ *Jeri & Family ~ it's been a while since we've seen each other and even longer since I've worked with Jerry, but I will always remember his laugh and calm demeanor ~ especially around all of us whirling dervishes in the USGen Legal Department and throughout the company! Thank you for the gifts you shared with us and may you rest in peace ... Nancy*

“ *Jeri, Ryan, Thomas, Matthew, and Burton and the Endler family. I cannot find the right words to express how sorry I am for your loss. Jerry was a kind, generous, encouraging, patient, and supportive man that was loved by so many and I will miss him dearly. I am already thinking of hearing his footsteps walking around the corner Monday morning and saying, "good morning, how was your trip?" or "how was your weekend?" with his coffee in his hand and his briefcase in the other...*

God has a plan and Jerry is with Him in eternal life, a beautiful everlasting life.

"Death doesn't just take someone, it misses someone else, and in the small distance between being taken and being missed, lives are changed."

May God bless you and give you strength in the days ahead.

“ Jeri- I have thought about you every day and am praying for you and your family. I just wish that there was something that I could do for you. I told my 13 year old Alayna all about you and the fun times that we had together - how I would come visit you and go to your mom and dad's house. She said that she hopes to get to meet you someday. I love you.
