“ My deepest sympathies to the family. I knew Jerry as I was a Domino's Franchisee in Williamsburg. He was well known in Domino's as a superior operator, and great sales builder. He gave me motivation to build sales in my own stores. A life taken too soon. Again, my deepest sympathies.

*I wanted to say how much not only I but everyone here at SunTrust will miss Jerry daily. If there is anything you all need, just call any one of us. Jerry will be missed always.*

*In closing I found a unknown authors quote that I wanted to share.*

*Death leaves a heartache no one can heal, but love leaves a memory no one can steal.*

“ Jerry was a good friend and my first mentor at Domino's Pizza. He always acted in everyone's best interest. For myself, Jerry played the role of "big" brother even though I was older than he was. Since we first met in July 1985, we have remained friends and for that I am grateful. My thoughts and prayers are with Jerry's immediate and extended family.

“ *We are so saddened by the loss of Jerry. He was such a hard working, giving man in the community. He truly has been a blessing to the area in so many ways. Whenever asked could he help an organization, he always would find a way to give generously. He was a very kind, fun loving man and always a gentleman. He will be missed by everyone that knew him. May God bless each one of his family members because he did love you so very much.*
