“ *Carl Mcgee and Family,.....It was such sad news to hear of Gearldine's passing. She was a dear friend and a part of many happy memories of my childhood. We talked on the phone recently and laughed about old times. I sent her a photo of us together, age about 10-12 years, which she enjoyed. I'm so sorry for her suffering,...She's now peaceful and whole and I know I will see her again. May you be blessed with every thought of her.*

*Love and prayers,

I am very sorry for your loss. She is at peace now and waiting now for us to get there. I used to work with John and she would always make homemade cookies and candies for me for Christmas. I always loved that more than anything else that I got. Love you, Mrs. Crimes you will be missed. . . .*

“ Bro. John, I was so sorry to read of Sis. Geraldine. My thoughts & prayers are with you & the family at this time. I know how hard it is but there is one thing we know--she is in the arms of the Lord now & she is feeling great now! There is one thing I can say--that she always knew that you loved her! It was always written all over your face when she was around. May you find comfort in knowing that others care about you. Trudy Langley
