“ *The world has lost a very kind and gentle spirit. She was my Great Aunt Goggie. I didn't have a lot of time with her because of distance, but the few times I did have with her I will always hold dear.*

“ *We were blessed to grow up in a large and loving extended family with Aunt Goggie as our Queen. She was a beautiful and talented Lady who put music in all our lives, especially mine. Thanks Gog. We will all miss you but I know you are playing and singing with the Angels.*

“ RIP Ms. Purcell. I would give her manicures every few weeks and

“ Mrs. Charles/Purcell was my piano teacher for many years. My life would not be the same without her. I have been a church pianist for about 60 years so every church service, funeral, wedding etc, she was a part of. I played for the Glee Club at Grundy and we did many productions orchestrated by her and they hold many fond memories for me. She also helped me make it through Algebra and English Lit. and is why I still love to read. Wonderful lady who is already sorely missed. Ron & Gayle, our prayers are with you. She is in Heaven waiting for you, probably surrounded by beautiful music and enjoying every minute of it. I look forward to seeing her there.
