“ Shawn & family,

*Sorry to hear that you lost your grandmother. Watched the video and she looks like an amazing lady. The women of her generation were awesome ladies who witnessed so much history and saw so many changes. You are so fortunate to have had her for 90+ years but none the less it is hard to lose a granny. Know that you are in our thoughts and prayers. I am certain she will live forever in the many memories you created with her through the years.*
