“ *Our Galloway family,
We love you all so much and hate this for you. Glen was such a generous man whose company our family always enjoyed. Family vacations just won't be the same without him there. We miss him already. We know it hurts you to hear us speaking of him in the past tense, but it helps to think of him as being in the safest place any of us could be - Jehovah God's loving memory. Becky, you And Glen made a beautiful family together and we don't know what we'd have done without you these past years. Very soon "the last enemy, death will be brought to nothing". We are so looking forward to that with you.

“ *Mandy you are such a dear friend to us and knowing the pain you are feeling pains us very much. To your whole family just please know you all are in our prayers and find comfort in knowing Jehovah hates what y'all are going through and this wicked world will be over very soon. For those of us who didn't know glen well we look forward to getting to know him in paradise!*

“ Dear Grama Bek,

Me and Glenn had many a fun time together.

We know you must be very sad but remember what Revelation 2:4 says, "He will wipe out every tear...and death will be no more. Neither will sorrow. We MUST ALL keep that in mind. Jehovah remembers him and NOTHING can take him out of Jehovah's memory. Jesus will call in the soon future and "all those in the memorial tombs will...come out! I love you as a grandma and always will.
