“ I have to many memories with you to even name, nan. All of our sonic trips, our breakfast dates, and mid afternoon waffle house runs. I miss you so much, we all do. I miss your laugh and your smile and your amazing advice. Everything reminds me of you. I can't do anything but cry about how much I miss you. But still laugh and smile about our memories. The best memories ❤️ RIL my bestfriend, my nana.

“ I will always remember how sweet she was and welcome me and my kids into there family how she loved her plants and her beautiful smile and how she had a coupon for almost anything 😊 how she loved my son and how he would never fail to help her with anything how she has made a impact on so many of our lives and how blessed I am to have known her and if I could see her beautiful face and talk to her one last time I'd give anything for her to know how much I tried to save her not just myself but how brave her two granddaughters were mostly in those last moments at home and how much of a blessing she was to many people I hope she is looking down upon us all and realizes how much she is truly missed and loved R.I.P nana I love you ❤️

“ So sorry to hear about this. Got To go to church with her and her family when her dad was Temple Baptist Church pastor. We all had a good time together going to church camp. I love her smile. My prayers are with all of you.

Glenda was a sweet lady. We always enjoyed her company at Dr. Fulmers office. I can remember her coming in and sitting in the chair. And she would always have to have that fan on her! Then her patient bib would fly up on us! She will be greatly missed.
