“ *God,
Thanks for giving us Glenda Root. She was the mother of four beautiful children who all hold a special place in my heart. The world is a better place because of her accomplishment of bearing them. Your Word states that children are a gift from the Lord, and I feel that next to your son Jesus- this was your greatest gift. I know she didn't do it alone, so thanks for their father and grandparents too. You changed my life when you gave me Allie and the Root kids, and I will be forever grateful. She is my best friend in the world and because of her, I am blessed. I pray you welcome Glenda into Your Kingdom and give her the Peace that only you can bestow to us. In Jesus' Name I pray,
Amen*

“ First and foremost I want to give praise and glory to God for giving me the best mom-in-law. I'll miss her very much...and I want to give thanks for mom leaving her DNA with my wonderful and awesome wife (lizzy), and my sisters-in-law my best friend (Allie) and Mandy, not to forget my only brother-in-law (Scott). God be with you all and peace be with all who knew Glenda as we go on with life without her.

Love you all so very much!

“ *My memories of Aunt Glenda as a child are fond she was always very affectionate and extremely kind when we would visit. I would love to just look at her because of how beautiful she was as were the rest of my aunts.*

Everytime I would visit as an adult she was always sweet to embrace me ...she was most gracious when my husband died in 1988 and never failed to want an update on my girls and my life. Her hugs were genuine and her heart was warm.

The last time I saw her was on my Dad's birthday and all the sisters were there... they were giving each other a hard way to go one minute and making each other and everyone else laugh the next. What a sense of humor.... I loved it...I loved her gentle and sweet voice...on our last visit as she was leaving we had a special lingering hug and it truly blessed my heart.

To the surviving members of this fantastic woman my thoughts and prayers are with you all...God Bless
