“ It is so sad to see Doyle go. He was a great guy and a truly great neighbor to my parents. They don't make them like Doyle anymore, his humor, good nature and his smile wont be forgotten. He was my Dad's best friend and I only wish they both could have spent more time on this earth together. I know my Dad loved him like a brother and he brought my dad happiness and true friendship in the few short years they were neighbors. Rest in peace Doyle, see ya on the other side.
