“ Mrs. Bitty, you have played such an influential role in so many lives in our hometown. I love remembering you on the BKCC golf course! You were so fun and funny, just a joy to be around. When you smiled we all smiled. Thank you for making growing up in Bald Knob so much fun! Will see you again by and by. If you will, please find my baby sister, Lisa, and tell her how much we love and miss her. Loved you always, Terri Wallace Miller

“ So sorry for your loss, but I know she's at peace and out of pain. She was blessed to have such a caring family. I always thought of her as my favorite aunt - always upbeat and never complaining about anything. I will miss her connection to my Dad. May her soul rest in peace with the Lord.

“ I remember well the 5 years we lived next door to the Huffakers back in the early 50's. Carolyn, Jimmy and I were playmates with Gary and Karen during those years. As their friends, we pretty much had the run of the Mercantile and the Huffaker home. Many fond memories of those days with the Huffaker clan. Karen and family, our prayers are with you. God bless. Mom just passed away last May at 97. Tony

“ Dear Karen, I was so sorry to hear of Miss Bitty's death. I was at Mother's house when they called to tell her. I have the best memories growing up in Bald Knob and being close to your family. She was always one of my favorite people. I can still hear her laugh and the excitement when she would get a good bridge hand at the "every other Tuesday afternoon" bridge club! What fun they had! Also, we have such fun memories of the "Dog House", that the Mother's started for all of us so we would have a place to go on the weekends. I know that my Mother will miss her so much, too. They really enjoyed calling each other several times a week. Please know that you are in my thoughts and prayers. I'm sorry we couldn't be there for the funeral. Love, Becky
