“ *Mrs, Zeltner taught me the basics of knitting. However I turned to
crocheting. There were a few things that I knitted but not much. She
was very patient with me because I'm a hands on person. She will
be missed, especially her smile.*

“ *Grace was so good to come and visit my mom. She was a good
friend to her. When she couldn't come she called to check on her,
even after she moved in with us. We are saddened to her of her
passing. She left this world a better place to go to a better place.

“ To Grace's Family, I am so sadden by the news of the passing of Grace. She was a special customer of mind and I love to talk to her on the phone. We took care of her pest control needs when she wanted it and she was such a sweet lady. I did not get the chance to see her in person but by the conversatons we had on the phone I know that I will be seeing her in heaven one day. May God Bless her and her family, Edye @ Circle-M Termite.
