“ *I got so my that I couldn't come up with one since Gracie & I were like sisters since we were about 4 yrs old. When Gracie got something I had to have the same thing. Happen when I got something. We walked home every school day at lunch & when in a grocery store on n. Hart when we went back to school & always got something else to eat & made it back in time . Was always on time. I asked her how long it took us & she remember. We were fast little girls. Oh what sweet memories we shared . Love you always my dear friend.*

“ Sad to lose a wonderful friend, but happy to have so many great memories. One of the best was our first jobs as waitresses at the Welcome Inn when we were in high school. Neither one of us had any experience and the woman that ran the place just put us to work and started yelling orders at us. IT WAS EMBARRASSING. After about 2 hours of this I walked out the front door and down Embree St. past the fairground, Gracie was in the kitchen and left out the back door and walked down old hwy. 41 towards Main St. Neither one of us knew the other had left until later that night. We had a good laugh over that and I still laugh when I think about it.
